REMARKS

In response to the Restriction Requirement mailed on August 04, 2009. Applicant elects, without traverse, species corresponding to Fig. 1 which includes claims 1-5, 12-16, and 23-25. Applicant respectfully withdraws the remaining claims from consideration.

However, it is respectfully requested that the Examiner reconsider the restriction requirement. Specifically, the remaining claims 6-11, 17-22, and 26-30 are merely dependent claims which depend from the claims 1-5, 12-16, and 23-25. Also, as detailed in the specification, e.g., starting on page 6, line 13, Fig. 2 is illustrating details of operations of some embodiments of components 102 and 104 (which are shown and discussed with reference to Fig. 1). Accordingly, it is respectfully requested that the Examiner reconsider the restriction requirement in light of these comment.

Conclusion

Applicant respectfully submits that the claims are in condition for allowance and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicant's attorney (303-800-6678) to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 50-4238.

Respectfully submitted,
